Introduction

The Smokefree Air Act, effective July 1, 2008, applies to Iowa State University. The purpose of this legislation is “to reduce the level of exposure by the general public and employees to environmental tobacco smoke” and is designed to “regulate smoking in public places, places of employment, and outdoor areas” and “to improve the public health of Iowans.”

Included in this policy statement are the applicable sections of the Smokefree Air Act, Iowa Code Chapter 142D, and the rules and regulations of the Iowa Department of Public Health found at Iowa Administrative Code Section 641, Chapter 153, that relate to the campus community.

To protect the health and environment of the campus community, Iowa State University has extended this policy to include electronic smoking devices.

Scope

This policy applies to all university employees, students and visitors. This policy covers all university owned, leased or operated buildings, property and grounds under the control of the university.

Definitions

For the purpose of this policy:

- The **university** is a “school” and “public educational facility” governed by the Board of Regents, State of Iowa, pursuant to Iowa Code section 262.7.
- The **grounds of the university** include parking lots, athletic fields, playgrounds, tennis courts, and any other outdoor areas under the control of the university, including inside any vehicle located on university grounds.
- **Smoking materials** include lighted cigars, cigarettes, pipes, or other tobacco products in any manner or form including ash, cigarette butts or filters, or cigar stubs. Smoking materials also include electronic smoking devices.
- **Electronic smoking device** means any product containing or delivering nicotine (e.g., Electronic Nicotine Delivery System or ENDS) or any other substance intended for human consumption that can be used by a person to simulate smoking through inhalation of vapor or aerosol from the product. The term includes any such device, whether manufactured, distributed, marketed, or sold as an e-cigarette, e-cigar, e-pipe, e-hookah, or vape pen, or under any other product name or descriptor.

Policy Statement

It is the policy of Iowa State University to comply with the Smokefree Air Act by declaring the entire university grounds and properties as a Smoke-Free Campus. Therefore, smoking is prohibited in “public buildings and vehicles owned, leased, or operated by or under the control of” the university as well as on the entire “grounds of the university.”

Smoking is prohibited and a person shall not smoke in any of the following **enclosed** areas:

- Enclosed areas within places of employment including but not limited to work areas, private offices, conference and meeting rooms, classrooms, auditoriums, employee lounges and cafeterias, hallways, medical facilities, restrooms, elevators, stairs and stairwells
- Vehicles owned, leased or provided by the university
- Privately owned vehicles when operated or parked on the grounds of the university

44 Smoking is prohibited and a person shall not smoke in or on any of the following **outdoor** areas:

- 45 • The entire grounds of the university
- 46 • The seating and parking areas of outdoor sports arenas, stadiums, amphitheatres and other entertainment
- 47 venues where members of the general public assemble to witness entertainment events
- 48 • The ISU Farms
- 49 • Veenker Golf Course

50 When a university employee, student, or visitor enters the grounds of the university any smoking material shall be
51 extinguished and disposed of in an appropriate receptacle at the perimeter of the grounds of the university.

52 The sale, sampling or advertisement of all tobacco products is prohibited on university property or at university
53 sponsored events in accordance with university Trademark Management policy.

54 **Exception**

55 Smoking will be allowed in an enclosed area within the university that conducts a medical or scientific research or
56 therapy program, if smoking is an integral part of the program.

57 **Responsibilities and Enforcement**

58 All members of the ISU community are responsible for observing the provisions of this policy and share
59 responsibility for compliance.

60 The Smokefree Air Act designates the Iowa Department of Public Health as responsible for enforcement with
61 respect to tobacco products. ISU Department of Public Safety will coordinate compliance with the law on campus.

62 ISU Department of Public Safety is responsible for enforcement of this policy and the Smokefree Air Act on the
63 grounds of the university.
